From our previous episode, we gathered some momentum into the story of cyberbullying and harassment of author, Karoor Soman(കാരൂർ സോമൻ) by 300+ online trolls/bullies. Claims of direct copying and infringement were made. Yet, something was confusing and puzzling.

I am sure the cyberbully liars must have thought of this, and if they haven't, they are worse than I thought. They are both educated and dumb cyberbullies. The point I am making is that Karoor Soman(കാരൂർ സോമൻ) the author has been writing for some time; approx. 35+years. Somebody with that calibre of experience to do direct copying just does not add up.

Karoor Soman(കാരൂർ സോമൻ) is not that foolish, otherwise he wouldn't have survived this long as a writer. The claims made by the cyberbully liars aka moral cyberbullies was that author Karoor Soman(കാരൂർ സോമൻ) purposely, intentionally copied their work in multiple parts and put it into some of his books. I went further. All his books? Some of his books? Fiction? Non-fiction? Recent history? Past history? Are all books substantially copied? Or is it bits and pieces? Is there a pattern? No pattern? Was it done with help? Or no help? Nobody lives under a rock. There is always some help. Was there previous history of copying? Is there lack of proof correction? Was it done intentionally? Was author Karoor Soman(കാരൂർ സോമൻ) cheated? If so, more questions- by whom? Why? Was there financial foul play? Lot of questions.
